

# Woodhouse Primary School EYFS

## Wisdom Grows from Wonder

Can anyone live there?

(Penguins)

### Physical Development

Scissor control – when making penguins with moveable parts

Moving like a penguin as part of apparatus work in PE

### Mathematical Development

Race to Antarctica – Game of the week linked to penguins

Use penguins to represent the quantities being covered in Mastering Number and when subitising

### Communication and Language

How do penguins communicate?

What do we know about penguins/ what have we learnt?

### PSED

Understanding how animals in the wild care for one another and for their young – link to how we are cared for and how we care for each other

The Penguin Who Wanted to be Different – linked to CD in Jigsaw

### Understanding the World

Where is Antarctica?

What are penguins and what do they do?

Learning about different types of penguins – noticing difference.

### Literacy

Sharing key texts: The Emperors Egg, Penguins (NF) and The Penguin Who Wanted to be Different

Lists for Santa linked to Text about Dottie Penguin

### Expressive Arts and Design

Observational drawings of different types of penguins

Making Penguins with moveable parts – joining with split pins
