

Woodhouse Primary School

Pupil Premium Action Plan

2017 - 2018

What is the Pupil Premium?

The Pupil Premium is additional funding for publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers. This funding is aimed at addressing the current underlying inequalities that exist between children from disadvantaged backgrounds and their more affluent peers.

This funding is allocated to schools on the basis of the number of pupils who have been eligible for Free School Meals at any point over the last six years; children who have been “looked after” for more than six months, children who have left local authority care or children of service personnel.

The DFE has given us the freedom to use the Pupil Premium as we see fit, based on the knowledge of our pupils’ needs.

Pupil Premium Funding

For the financial year 2017 - 2018, we have received £31,840 in Pupil Premium funding.

Nature of Support

At Woodhouse, we continue to use the additional funding to support a variety of strategies to best meet the needs of each individual child for whom the grant funding was allocated, including:

- high quality, inclusive teaching.
- precision teaching by the class teacher.
- pupils taught in groups with other pupils who are working at a similar level.
- focused support from skilled teaching assistants, both in class and in small groups.
- individual tuition, by an experienced teacher or teaching assistant.
- intervention strategy support from teaching assistants (for example: Early Literacy Support, Targeted Support for Teaching Inference in Reading, Assertive Mentoring, Lego Therapy).
- carefully targeted resources known to raise attainment.
- personalised support including pastoral support for individual pupils and their families, to meet their needs.
- supporting parents to fund clubs and trips.

All interventions are highly targeted over a period of time, according to need and impact tracked.

Monitoring the impact of Pupil Premium Grant

The headteacher Mrs O’Connor has overall responsibility for the attainment and progress of Pupil Premium children through ensuring the progress of eligible pupils and evidencing this as a whole-school priority.

Children’s progress and attainment is tracked and monitored carefully to ensure they achieve their full potential. Regular monitoring and evaluation is key to ensuring effectiveness of expenditure.

Targets for pupils are set in maths, reading and writing and we know where we expect them to be by the end of the programme or set of lessons. Monitoring is a joint responsibility of the class teacher and Senior Leaders and regular assessment data is analysed and acted upon. All pupils eligible for Pupil Premium funding are discussed at termly pupil progress meetings. The DFE and LA also analyse our school data and compare our results to national data.

Through our termly School Improvement Committee meetings we report clearly on data for Pupil Premium and the use of Pupil Premium funding forms part of the monitoring of the Finance Committee so governors can link value for money with impact. There is an identified governor for Pupil Premium.
